OUR KEY CONTROL SYSTEM PAYS FOR ITSELF ONE LOST KEY AT A TIME

KEY CONTROL SYSTEM BENEFITS

SAVES EMPLOYEE TIME

Eliminate customer wait times while your employee searches to find the correct key. The Key Control System allows quick key access within 4 seconds by quickly illuminating the key within the box.

PREVENTS LOSS OF CAR SALE

A customer can easily get frustrated and leave while your sales person is struggling to find the key. With the Key Control System, your sales person can quickly locate who has the key.

PREVENTS KEY LOSS & ACCOUNTABILITY

As we all know a lost keys are expensive to replace. In "Real Time," the Key Control System allows you to locate the key by tracking which employee had the key last.

Smart Key locations in the cabinet are individually illuminated for instant visual ID & quick key finding

OUR KEY CONTROL SYSTEM PAYS FOR ITSELF

Between saving money on lost keys, lost employee time and lost sales...the Key Control System pays for itself.

SECURITY FROM THEFT & FIRE PROTECTION

The Key Control Systems are made with 18-gauge steel cabinet & 13-gauge steel door and come with Tamper-proof smart key attachments. All systems come with a 48-hour battery backup.

Client Testimonial

"I would recommend Key Control Systems to any dealership with key problems! It easily pays for itself, and finding keys is no longer a time consuming process. We can now focus our time and energy on what we do best...selling!!!"
